WORLD BOWLS

2022 World Singles Champion of Champions
Wellington, New Zealand

KIA ŌRA, WELCOME

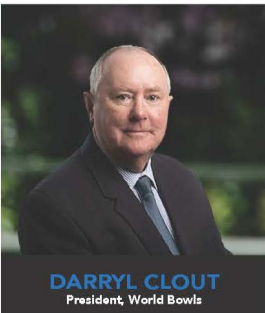

On behalf of Bowls New Zealand, it gives me great pleasure in welcoming all competitors, officials and supporters to the 2022 World Singles Champion of Champions.

We have been on a rollercoaster ride with this competition, with COVID-19 the victor on many occasions, but we are here and ready to roll in Lower Hutt. We are over the moon to have all international competitors finally on the ground here in Aotearoa.

Thank you to our Tournament's host club, Naenae Bowling Club, for showing endless flexibility and adaptability to get this event happening.

Bowls New Zealand appreciates how much work has gone into preparing for the Tournament and would like to acknowledge and thank all the volunteers, officials, umpires, markers and greenkeeping staff for the time that they have given up to make this a successful event.

To the competitors, I wish you every success in the Tournament. Play well and, above all, enjoy the camaraderie that the sport of bowls engenders.

On behalf of the World Bowls Board I have much pleasure in welcoming the participants, officials and spectators to the 2022 World Singles Champion of Champions at the wonderful Naenae Bowling Club in Lower Hutt.

For those of you visiting New Zealand for the first time I am sure you will take home many happy memories of your stay and for those returning it will be an opportunity for new experiences and to renew old friendships.

Bowls New Zealand and its members are renowned for their hospitality and their expertise in showcasing our great sport and we look forward to another successful event this year, and next year as well. Indeed, this event has been already held in New Zealand on four other occasions, with each of them an outstanding success. We all wish Bowls New Zealand, the Naenae Board and staff well as they welcome 46 competitors from 31 countries all trying to win one of the sport's most coveted titles.

Their efforts in hosting many other major events including the Bowls Premier League shows how they will be able to deliver an event which they, their members and the Bowls community can be proud of.

Finally thank you to the many volunteers who will help ensure the smooth running of the event. Without them our sport cannot survive.
